Quorum established

Minutes of the previous meeting were approved without changes

Directors matters

1. State mandated cross connection prevention measures. There will be a package mailed to all members with the September billing explaining the State requirements and requesting feedback from residents.
2. Residents in arrears requiring liens to be placed in order to collect payment will be dealt with in the future in the following manner:
  - a. There will be a surcharge for the collection of delinquent accounts equal to 20% of the delinquent amount plus filing fees.
  - b. Any account delinquent over 6 months will receive a shut off notice, and if payment or arrangements are not made within 14 days of said notice, their water service will be terminated until the arrears are satisfied.
